

## MANY STUDENTS ADMIT CHEATING, POLL REPORTS

That 66 per cent of San Jose State college students admit cheating on examinations is shown in the results of the recently conducted cross-sectional poll which probed cheating, and examination fairness. To date, only two cases of cheating have been reported.

Mr. Elmo Robinson, head of the Examination Fairness committee, announced results of the poll in the committee's report to the faculty yesterday afternoon.

According to the report, 91 per cent of the students feel that most examinations are unfair. Dissatisfaction with the grading system is felt by 95 per cent who declare that grades are too important an item in college work, while 43 per cent believe that the stress placed upon grades is the chief incentive to cheating.

In his review of the progress of the committee, Mr. Robinson announced that 72 instructors have contributed to the Library file of former examinations which is available now to students. He explained that instructors have been requested to give students a review of contents and scope of examinations, and to keep the examination room free from confusion.

Objectives of the committee this quarter are a review of student opinions and a recommendation concerning the handling of themes, term papers and notebooks.

Mr. Robinson reported that in the future the committee will investigate procedures on other campuses. Other plans include a study of the relation of secretaries and readers to the examination situation and the problem of "leaks."

The results of the student poll will be analyzed further to give more light on the problem of examination fairness, Mr. Robinson indicated.

## PUB BOARD DISCUSSES AIMS

The newly-organized Publications Advisory board, headed by Mr. Dwight Bentel, discussed the aims of the board and the problems involved in student publications at its first meeting in barracks 93 last night.

A marked divergence of opinion was expressed regarding the proposed aims of the board. The Student Council voted last quarter to create the board to act "in an advisory capacity" in matters concerning student publications.

On a motion from Douglas Morrison, council representative, it was agreed that the Spartan Daily be requested to publish an explanation of publication technique and operation. First of a series of articles on the subject will appear in Monday's Spartan Daily.

## 17 MEETS LISTED FOR THINCLADS

Seventeen meets have been announced for the track squad this year, Athletic Director Glenn "Tiny" Hartranft and Track Coach Bud Winter revealed yesterday with release of the 1948 track schedule. The season opens officially on March 13 when the Spartans participate in the Long Beach Relays and will climax on July 3-4-5 with the Olympic trials which will be held at Chicago this year.

The prize on which the Spartans have set their eyes is the Olympic Games to be held in London sometime late in July. Several Spartans have great possibilities of competing in the event.

Tentatively scheduled is the Indoor Meet which takes place in San Francisco during the first week of March. The Spartans meet Stanford April 3 at Palo Alto, and COP here on April 24.

Main tourney meets this year include the Pacific AAU and the NC2A extravaganza. The AAU takes place at Berkeley, and the NCAA is set for Minneapolis.

The CCAA Annual tourney will be held at Cal Poly in San Luis Obispo, and the San Diego and Santa Barbara dual meet sends the Spartans to San Diego.

The schedule:

## CAGERS LOSE TO SF STATE

By BOYD SHULTZ

SAN FRANCISCO, January 21. —San Jose State college's cage team dropped their second decision in two days to the 'Gators from San Francisco State tonight.

The Spartans came out on the short end of a ragged 61-56 tilt in Kegar pavillion after having led throughout the first half of the ball game.

Leading 28-25 at the half, the Gold and White couldn't stop San Francisco's Johnny Burton and Jack Byrne in the second stanza and with only 10 minutes remaining the game were behind, 50-38.

The Spartans gained some ground and with three minutes to play were behind only 56-54. Burton and Byrne teamed up on the last of their 16 tallies each and when the final whistle blew the Spartans trailed, 56-61.

Bob Hagen, classy San Jose forward, shared scoring honors with the 'Gator forwards, with 16 points to his credit. Stu Inman was runner-up with 13.

The San Jose Freshmen shed light on the gloomy picture by trouncing the 'Gator Frosh, 64-42. The Spartlets coordinated their defense and managed to outlast their rivals in a scoring spree. Dean Giles was tops in the scoring department with 21 points to his credit.

## TEA ROOM OFFERS LUNCH

The College Tea Room, which is in operation only during the winter quarter, offers students and faculty and their guests a three-course luncheon for only 85 cents, stated Mrs. Fern G. Wendt, home economics instructor, recently.

Mrs. Wendt said that the low cost is possible because the Tea Room is a non-profit venture, operated by members of her class in Institutional Management. "The class," she said, "is intended to give the student the ability to serve a meal for a large group and not lose money on it." Mrs. Wendt added that there is a hostess for each day the Tea Room is open, whose duties are to plan the menu and supervise the work as a whole.

## DEADLINE NEAR TO REPORT DROPS

Tomorrow is the last day to drop courses!

"It is important that students who plan to drop courses do so by tomorrow. A course is not officially dropped until a revised study list has been filled out, signatures obtained, and the card filed in the Registrar's office," Joe H. West, registrar, stated yesterday.

He went on to point out that severe action will be taken with students who make unofficial drops. Lenient markings such as "dr" or "NE" (no report) will be discontinued and unofficial drops will receive a failing mark, "WF," which will be considered "F" in computing scholastic averages.

Special cases will be handled by petition only following the fourth week.

"Students under the GI bill are reminded that it is necessary to carry at least 12 units of work in order to receive full subsistence," Mr. West concluded.

## LA TORRE

La Torre Publicity Director Bob Rexroad asks students with La Torre ticket stub numbers 1451 through 1475 to report today to the La Torre office, Barracks 95, between 12 noon and 2:00 p.m.

## COURT ISSUES REMINDERS

Chief Justice Bill Logan yesterday issued another reminder to organizational secretaries in regard to Article V, section 4 of the ASB constitution, which must be complied with by January 31.

The section cited requires a list of new members and their ASB numbers to be submitted every quarter by all organizations.

Harold Seyferth, prosecuting attorney, also issued an invitation to all pre-professional groups on campus to send a representative to next Monday's meeting of the Student Court. "This is an attempt on the part of the Student Court to clarify the positions of the many organizations on campus," said Seyferth, "and is in no way to be regarded as a prosecution move."

Meeting time and place of the Student Court is 4:30 p.m. Monday in the Student Union.

## FICTION WRITERS

Marian Ellis, Lycurgus editor, requests all writers of fiction to see her or a member of the staff in the Lycurgus office today between 10:20 and 12:20.

Miss Ellis wants to feature short short stories and features. "Our policy will be more stories with the accent on brevity," she states.

## SHOTS POPULAR WITH SPARTANS

For the second successive day a long line of Spartans passed through the Health office, receiving immunization shots for the highly contagious and much publicized virus X.

Exactly 134 students received the shots yesterday, bringing the two-day total of immunizations to 274.

On Friday the shots will once again be offered, announced Miss Margaret Twombly, Health department head. She also asked all students desiring immunization to sign up in the Health office by noon Friday.

Time for Friday's shots is between 1 and 2 p.m.

## FRESHMEN PLAN 'KNOCKOUT' DANCE

"Knockout" is the title of the after-fights dance to be given by the Freshman class Friday night in the Women's gym from 10:30 to 1:00. The dance will be the first activity sponsored by the Freshman class this quarter and promises an evening of fun and refreshments.

Admission will be 30 cents for ASB card holders, and 40 cents for others.

Wiley Jackson, chairman of the Freshman class, invites everyone to come to the gym after the boxing bouts are over and spend the evening dancing to a fine assortment of smooth records.

Sally Moody was appointed by Jackson to head the decorations committee, while Dean Price is in charge of obtaining some new records for the dance.

The "Knockout" dance follows the appointment of Jackson as temporary chairman of the Freshman class. He was appointed at a class meeting held Tuesday in Morris Dailey auditorium, and will serve until the regular class elections are held in February.

Milton Lanyon, class adviser, announced that the Freshman class will meet every Tuesday this quarter at 11:30 in the auditorium, and urged all members of the class who are free at that time to attend the meetings.

## ELECTRICIANS

Electricians for Revelries of 1948 are still wanted! Merrill Hulse, head electrician, announced that those who signed up and others who are interested in helping with the show should attend a meeting tonight at 7 p.m. in the Morris Dailey auditorium.

## DR. CAMPBELL IS CANDIDATE

Dr. Earl C. Campbell of the Social Science department announced his candidacy for County Supervisor of the Fifth district last night at a dinner held at the Fir Tree Inn in Saratoga. This district includes Palo Alto, Los Altos, Mountain View, Sunnyvale, and Los Gatos.

The basis of Dr. Campbell's platform is reorganization of county government and more intergovernmental cooperation between state and county governments.

## OFF THE WIRE

By UNITED PRESS

Edited by JACQUE WOLFF

An estimated 200,000 German workers struck in the coal-rich Ruhr and in the American zone yesterday in protest against food conditions.

Jacqueline Horner, 14-year-old Hollywood piano prodigy, was found yesterday in San Francisco after she was missing for one week.

Chairman Fred A. Hartley, Jr., of the House Labor committee told James C. Petrillo yesterday he was "clearly in violation" of the Lea act despite his recent acquittal of charges of forcing a radio station to hire unnecessary musicians.

British troops yesterday beat off an attack by several hundred uniformed Arabs on the Jewish settlement of Yehiam in upper Galilee, where eight Jews and seven Arabs were killed Tuesday.

The Phoenix office of the War Assets Administration yesterday charged the U. S. Indian service with passing up vast supplies of surplus goods offered by WAA under a presidential order to destitute Navajo and Hopi Indians.

One student was killed and a policeman wounded yesterday, bringing the toll in clashes over the Anglo-Iraq treaty to four dead and 105 injured.

## CONSTITUTION ADVISORY BOARD BEING CHOSEN

Selection of an advisory and discussion board to help with the revision of the new ASB Constitution was announced yesterday by Bev Clay, chairman of the revision committee.

The new group is composed of two students from each department, chosen by department heads for intelligence, character, and loyal concern for student government, asserted Dean of Men Paul M. Pitman. There are also two delegates from AWS, Intersociety and Interfraternity councils.

"Purpose of the group," declared Miss Clay, "will be not to write the constitution, but to discuss and settle the basic questions of policy."

Miss Clay stated that the revision committee had chosen this means of assuring the student body a constitution written by the students. She pointed out that it would have been much simpler to conduct the revisions in closed session, without the risk of strong dissent, but that it would have been contrary to the spirit and policy of the new charter.

First meeting of the new advisory board is scheduled for 7:30 tonight in room S112.

Dean Pitman said that the full roster of the board would not be available until all department heads had submitted the names of representatives from their department.

## MUSIC EDUCATORS TO CONVENE HERE

The bay section of the California Music Educators' association will hold a conference at San Jose State college Saturday, reveals Dr. Lyle Downey, head of the Music department. School music instructors from the entire bay area will attend and some will take part in a variety of demonstrations.

Under the direction of Dr. Downey, the San Jose State college Symphony Orchestra will open the program with Mozart's "The Magic Flute," overture, the Largo from Dvorak's "New World" Symphony, and one movement from Barkley's "Southern Iowa Suite."

Gibson Walters of the San Jose State college Music department will give a lecture-demonstration entitled "The Quartette Approach to String Teaching." E. A. Thorndsgaard, also of the Music department, will demonstrate "Choral Techniques with High School Choir."

Elementary, junior high and high school students from this area will take part in the remainder of the program.

## ACCOUNTS CLOSE

Veterans' accounts at the California Book Co. and Spartan Shop will be closed Friday, January 23, announces Asst. College Comptroller Harry Brakebill. Only books or supplies ordered previously will be paid for by VA.

## Dangerous 'New Look'

The "new look" is no longer a mere controversial style trend—it is a menace to life and limb!

That seems to be the general opinion of the New York Safety Council in recent propaganda aimed at accidents in the home.

When upwards of ten yards of material swirl around the ankles danger is lurking at every turn. Milady starts down the kitchen steps with a graceful swish of skirt—heel catches, bam! Result, doctor bills.

For safety's sake (that's what the council is interested in) just below the knee is the safest place for a skirt to end. The shorter skirt gives more freedom of movement, is least liable to trip up the glamour girls and is less liable to get caught in unwanted places.

Safety Council points out that the "new look" already is adding to the toll of accidents. Women are falling over themselves at an alarming rate.

Life hangs on the hem-line!

## SOCIAL SCENES

### Sigma Kappa

Sigma Kappa, one of the five oldest women's fraternities in the United States, is considering colonizing at San Jose State college in the near future. Sigma Kappa is a New England sorority with branches in fifty colleges in the United States and Canada.

Aims are "to promote service, cultural development, spiritual standards, high scholarship and intellectual life" among members. Dr. Mary Grace Hamilton of the English department, and Miss Margaret Twombly of the Health department are Sigma Kappas.

### Newman Club

"Ballerina Ball" is the name of this year's annual semi-formal dance," says Bobbie Rodenborn, president of Newman Club.

"Ballerina Ball" will be held Friday, February 6, at Newman Hall, 79 So. Fifth street from 9 to 1 a.m. Bids at \$1.50 per couple will be on sale soon.

"Music will be provided by the Fred Ross combo, of Lou's Village," says Miss Rodenborn.

## VACANCY

To lease for four years, one-family dwelling. Early American. Tenant must meet approval of residents of surrounding area. In restricted neighborhood. Certain maintenance duties must be performed by tenant. Possible option for renewal of lease at end of four-year period. 1600 Pennsylvania Ave., Washington, D. C.

Yes!

The most important residence in the United States, and probably the world—The White House—will be vacant next year.

The aggregate opinion of America's voters will decide, next November, who the next tenant of the White House will be.

College people are an extremely important group within the ranks of the voters.

If only San Jose State college students were to vote next November, who would be elected President for the four ensuing years?

In an effort to find out, the Daily will conduct a poll of student opinion on all potential candidates for the Presidency, to determine their relative popularities on the campus.

A ballot, and further instructions, will appear on this page soon.

Watch for it. Fill it out. Let us know what you think!

### Eta Mu Pi

Activities for the quarter and the organization's constitution will be discussed by members of this national honorary merchandising fraternity at their meeting Thursday at 10:30 a.m. in room 139.

A pledging committee will consider eligibility of new members. All members are urged to attend.

Officers are Walt Plant, president; Sal Millan, vice-president; Shirley Dix, secretary; Joyce Woods, treasurer; Priscilla Gordon, program chairman. Dr. Mel Wright and Guy George are advisors.

New members include Lenore Curtice, Lorraine Pahl, Dorothy Sims, Harry Hofmann, Lloyd Weber, and Nancy Davis.

### Student Y

A breakfast meeting of Student Y "Short Circuits" was held Friday morning at the YMCA, according to Hall Landry, Student Y publicity chairman.

Members of the "Short Circuits" are Student Y members who attended the Student Y conference at Asilomar.

Members who attended the breakfast meeting were Bruce McNeill, Eleanor Dinsmore, Paula Phillips, Lenore Staats, Hall Landry, Chet Krebs, Bob Madsen and "Mac" Carpenter.

### IRC

Paul Hunter was elected president of the International Relations club Monday evening at their bi-monthly meeting, while Gretchen Kolb was named secretary.

Tia Vanderwal, Spartan student who worked with the underground army in Holland during the war, spoke on her experiences.

## Slip Brings Orchid Lei From Hawaii To Moana Riley

By RUTH McCARTHY

It's not every girl who receives an orchid lei from Hawaii—but it's just about every man who makes mistakes about birthdays.

When Moana Riley, sophomore English major from Hawaii, received a beautiful orchid lei last week, and the accompanying card read, "I'm very sorry that my gift is late for your birthday," she knew something was wrong. Birthdays don't come every day in the week, and she wasn't having any just then.

Of course, her friend being a man (as men will be) displays the one great weakness of all man—he forgot the date of her birthday. What he doesn't know is that

MOANA RILEY

he was early with his gift, not late, since Moana's birthday doesn't come until the end of the month.

All the same, late or early, the gift is a wonderful one. The lovely orchid lei is "really the best thing he could have sent me," according to Moana.

Flown from Hawaii, the lei is made up of numerous small orchids—so many that Moana hasn't found time yet to count them. A local florist revealed that a "stateside" price of the lei would range from \$50 to \$75.

## Oil Paintings Now On Display

An exhibition featuring oil paintings by Carmel artists are now on display in the Art wing, announces Mr. Warren Faus, art instructor.

Artists represented are all members of the Carmel Art association and many are known nationally as well as locally for their work, said Mr. Faus.

"The exhibit is widely representative of trends in painting today," he commented. "The representational artist, the expressionist, the romanticist, and the semi-abstract artist are all here, each expressing himself in his own way."

## ... Tempus Fugit! ...

JANUARY, 1932—Feminine logic scored a knockout over the male variety at the University of Michigan recently, when members of the male team in an inter-sex debate became exasperated and walked out followed by the whole masculine audience, charging there were too many women among the judges.

The real reason, however, was the women's answer to the charge that coeds are husband hunters. The wily females made answer: "It is true that our chief purpose at the university is to obtain husbands. But we are not hunters. We are fishermen. We bait our hooks for suckers, and the fishing is good." Whereupon the men walked out.

### 'Literary Harvest'

## Phelan Contest Result Of Friendship Between Senator And Professor Bland

By BOB BLACKMON

The Phelan Literary Contest was a harvest of Senator James D. Phelan's friendship for the late Henry Meade Bland, member of the English department at San Jose State college for 44 years.

Dr. Bland was named poet laureate of California by act of state legislature, four years before his death in 1933.

Senator Phelan sponsored an annual Montalvo Literary Contest as a stimulant for native son creative writers. Members of the college English club were invited as guests at a yearly luncheon held in honor of the contest winners.

### \$10,000 BEQUEST

This friendship of the senator for Spartan students lasted until Senator Phelan's death in 1930. In his will a bequest of \$10,000 was left to San Jose State college, the annual income of which was to be given in awards to students for excellence in poetry and for the continuance of the Montalvo Contest.

The first contest, in 1933, had seven divisions with a cash total of \$479 awarded. Jean Sewell Smith took three first prizes, a record which was tied in 1946 by Jocelyn Reed who took first prizes in the sonnet, free verse and lyric classifications.

This year's sixteenth annual contest will award \$250 in cash prizes. As many contributions may be turned in as the author wishes. Entries in the following classifications will be taken: the sonnet, the lyric, free verse, essay, short story and plays. Essays and short stories have a minimum of 1,000 words.

### RULES

Additional rules for this year's Phelan Literary Contest are:

1. Contributions must be in room H28 before 5 p.m., April 1.
2. Contributions must be type-written and double spaced. The first page must contain a full title. Abbreviations of the title must be on succeeding pages. The pages are to be numbered.
3. Name of the writer must not appear anywhere on the manuscript.
4. A cover sheet must be provided with the name of author, titles of each contribution and division entered.
5. The writer must not be over 30 years of age, and must be registered as a regular student in San Jose State college for at least one quarter of the regular school year.

## Thrust and Parry

### Will Pay

Dear Thrust and Parry and Student Council:

If the expense motive was the main reason in abolishing the sale of cokes at games, as was implied by Wednesday's Daily, I am more than sure that the organization running the concession each time would be very willing to pay the janitors out of its profits for the extra time spent cleaning the gym.

A raw-throated and thirsty Athletic Supporter  
ASB 3309  
(Ray Sommer)

### Smoker Supports Ban

Dear Thrust and Parry:

What is the use of having a ban on smoking in the Union if it is not obeyed or enforced? Between 11 and 12 o'clock yesterday more than 12 students (more girls than men) were smoking, even after their friends remarked about the ban.

I've smoked cigs, cigars, and pipes for many years, and still can wait 'til I get outside!

Come on students, stop being petty show-offs and obey the laws; such as they are.

## SPARTAN GRAPPLERS INVADE SOUTHLAND FOR THREE MEETS

The 1948 Spartan wrestling team, possibly the best on the coast and certainly one of the greatest in the school's history will leave this afternoon and tomorrow morning in two groups for meets with the Los Angeles YMCA, UCLA, and San Diego in the south.

Coach Ted Mumby believes a sweep is possible but the Spartans are pointing for San Diego State. The Aztecs have practically the same team that won the CCAA championship last year with a one point upset of favored San Jose. Mumby knows little of the strength of either of the Los Angeles teams but is confident of victory.

### SPARTANS TRAVEL

Two Spartan teams will make the trip. The following men will compose the varsity: Fred Albright, Sam Lawson, Bill Rothwell, Pat Felice, Don Foster, Phil Bray, Earl Counolley, and Leo Ralche. The freshmen will take a six-man team composed of: Bruce Wheeler, Howie McJilton, John Jackson, Marvin Flitts, Darrell O'Steen, and Karl Jensen.

The Spartans will wrestle under Olympic rules against San Diego State and the Los Angeles Y, but for reasons known only to themselves UCLA wants to use collegiate rules. Most of the Spartan meets this year have been conducted under Olympic rules since this is an Olympic year. Coach Mumby will also take with him forms for his new scoring system in case he can persuade the southern teams to try what Northern California's outstanding collegiate wrestling referee, Jack Ritchie, has favorably endorsed.

The team will be quartered at the Los Angeles Y and will probably make the trip to San Diego Saturday morning. They are expected to return to San Jose Sunday night.

## SPARTANS FACE FOUR COLLEGES TOMORROW EVE

Boxing Coach Dee Portal is trying to pick 32 men to face the combined fury of four Junior college boxing teams in the Junior college invitational meet to be held in the Men's gym tomorrow afternoon and evening.

"It will be San Jose State against these four schools," Portal revealed. "An ordinary boxing team consists of eight men, so in reality we are sending four teams into action Friday."

San Mateo Junior college is bringing down three boxers, Modesto JC 17, Salinas JC 4, and San Francisco 8.

The 32 card bout will be spread over the afternoon and evening. The tournament will run from 3 to 5 and from 7:30 on.

The All-College Boxing tournament held earlier this month in the Civic auditorium revealed so much talent that Portal probably will keep the varsity out of action. Heavyweights John Schaefer and Jack Sheberles, who drew in the finals of the All-College tournament, will probably be two of the heavyweights. Nick Diez, another All-College winner, will also probably see action.

The contest winners probably will be announced either tomorrow or Monday.

Fresno State is starting a new sport this year. For the first time in their sports history the Bulldogs are putting out an Ice Hockey team.

## PACIFIC FIVE CHALLENGES SJ TITLE CLAIMS

By JOHN GOTHBERG

San Jose State and College of Pacific, arch athletic rivals, will face each other on the hardwood Saturday night at Stockton. Both the Tiger and Spartan cage teams are strong this year and are out to capture the coveted CCAA crown.

Coach Walt McPherson's players have thus far chalked up one win in the championship race, while COP has won three and lost two. The Tigers will have to down the Statemen in order to assure themselves of a mathematical chance of retaining the title.

Stan McWilliams, six feet three inch guard, is the leading scorer for the Black and Orange five. Stan is only a sophomore and a truly fine cageman.

Bud Proulx and Hank Pfister, two fast breaking forwards, have made a fine showing in the last two Tiger victories. Al Levy and John Gullfoyle make up Coach Chris Kjeldsen's first unit.

In their first three league contests, Pacific defeated Cal Poly and lost to Santa Barbara and San Diego. However, they came back last week-end and trounced both Santa Barbara and Fresno.

Since Chuck Hughes returned from Hawaii to take over his first string forward spot, the local hoopsters have lost only one game. Last Friday's overwhelming victory over the Gauchos leaves the Spartans and San Diego as the only two undefeated teams in CCAA competition.

phasized the Olympic Games in London, as the keynote in this year's training.

The Tigers from Stockton have completed their 1948 track schedule and have included the Spartans in a meet here on April 24. Coach Winter, however, hasn't completed his. The Spartans' first dual meet has been set for Stanford at Palo Alto.

## INTRAMURAL CAGERS PLAY

"The Wildcats" forfeited their game with the "Beta Bums," Monday evening, giving the "Bums" a technical win over the "Cats," in the opening game of the intramural basketball tourney in the Men's gym.

"The Newman Club" trounced a scrappy "Sparta Chi" five by a 35-19 margin. "Newmanite" Kerlin Morgan was high point man with 11 points.

"The Eastern All Stars" overpowered George Perazzo's "Cherry Pickers" 29-21. Chet Bulwa scored 13 points for the All Stars. "The Slobbovian Schmoes" eked out a close 15-13 win over the "Pyle Inn Boys."

Tonight at 7:30, "Mangini's Murderous Marauders" meet the "Beta Bums," and the "Newman Club" will clash with the "Wildcats." At 8:10, the "Minerva Lion" five take on "The Renegades," while the Garden City Athletic club tangle with the "Slobbovian Schmoes."

## QUARTER MILERS SHOW PROMISE

Prospects for a great year for the quarter milers on Coach Bud Winter's track squad, loomed high this week as at least four men have run that lap under 50 seconds.

Bud Winter stated that while the quarter mile event was the weakest link in his squad last year it should be probably the strongest point this year. He especially praised Dick Webster, San Jose star from Lincoln high.

The boys had a terrific workout last week and among those who stood out were Fred Mangini, star halfback last fall; Bob Herrick of Glendale, and Thelno Knowles.

Knowles vowed that he would break the school's record this year. Tom Birmingham and Bill Schimmel are probable relay men.

Coach Winter revealed that the Indoor Track meet at San Francisco is slated for the first week of March. This year he has em-

## WAA TEAMS IN PLAYDAYS

San Jose State college sent two women's volley ball teams to Stanford Friday to participate with teams from San Francisco State and Stanford university in a sportsday activity.

Saturday, three teams journeyed to Mills college for a basketball sportsday. The teams attending were the "Pidgeonies," "Hansen's Blue Frogs," and the "Tan Tans," all top teams in last year's tournament. The tournament for this year has not begun yet, but practices are being held.

Scores for Saturday's games were as follows: "Pidgeonies" won 13-10, "Hansen's Blue Frogs" lost 32-41, and the "Tan Tans" won 42-15. These teams are captained by Jerrie Salina, Barbara Patterson and Eleanor Kohn, respectively.

## SOCIAL SCENES

### NEWMAN CLUB

Outgoing President Bobbie Rodenborn urges all Newmanites to attend tonight's meeting as new officers will be elected. The meeting will begin at 7:30 p.m. in Newman Hall.

### SKEPTICS

"All those who have questions concerning religion, or have doubts, are invited to attend a Skeptics' hour in the Student Y lounge tonight at 7:30," announces Mac Carpenter, executive secretary.

Tonight's "bull-session" will be the first Skeptics' hour. Carpenter will lead the discussion, which will be of a general nature. Speakers well informed on various aspects of religion will be presented at future meetings, said Carpenter.

### CCF

The Reverend Roy Kraft, Santa Cruz minister, will speak at the Collegiate Christian fellowship at

12:30 today in room 116. Rev. Kraft is a well known youth speaker and summer assembly teacher.

## CLUB INSPECTS CLAY PLANTS

The Engineering society will make its first field inspection trip of the quarter Friday when they visit three major clay products manufacturing concerns in the San Jose area.

This trip will be open to all active society members. They are instructed to meet at 1:20 p.m. Friday at the large quonset hut.

A sign-up sheet is posted on the door of the Engineering office, room 13A, for members intending to go. Dues should be paid before signing for the trip.

*It's Another Headline Record!*

Louis Prima's "With a Hey and a Hi and a Ho Ho Ho" (RCA Victor)

THE MAN who plays pretty for the people, Louis Prima, has a groovy new record!

A trumpet player of long experience, Louis knows when he's hit the right note in smoking pleasure too. He's a dyed-in-the-wool Camel fan. "Camels are the 'choice of experience' with me," says Prima.

Try Camels! Let your own experience tell you why, with smokers who have tried and compared, Camels are the "choice of experience."

**CAMEL**  
IS MY  
BRAND!

And here's another great record—

More people are smoking  
**CAMELS**  
than ever before!
